

2023 UPSTATE COIN & GOLD YOUNG NUMISMATIST SCHOLARSHIP

Summer Seminar is an adult-level numismatic conference in an open-campus college setting. We recommend you thoroughly review the opportunities, rules and regulations at <http://www.seminars@money.org> prior to applying. As a recipient of the UCG YN Scholarship you will be subject to all ANA requirements during the Summer Seminar program.

The Summer Seminar offers two sessions from which to choose from:

Session 1: Saturday, June 17 to Thursday, June 22

Session 2: Saturday, June 24 to Thursday, June 29

APPLICANT ELIGIBILITY:

The applicant must be a full-time student and an ANA member age 13 to 17. Applicants must personally complete the application form, questionnaire and one page essay.

Applicants must receive a minimum of two references: one from their principal, teacher, or counselor, and one from another adult (other than a parent or relative). The person completing the reference, NOT the scholarship applicant, MUST submit reference letters to Laura@UpstateCoins.com by March 1, 2023.

SELECTION PROCESS:

Two scholarships will be awarded based on merit. Each application is thoroughly evaluated by a committee and scored according to the following categories -

- Engagement, Leadership and Accomplishments
- Essay and Questionnaire
- Reference letters

The selection committee's decision is final. Applications will remain confidential.

TWO SCHOLARSHIPS WILL BE AWARDED:

Ages 13-17: Full scholarship covers tuition, lodging, and meals for one week, and up to \$1000 in travel reimbursement. (Note: ANA requires a parent or legal guardian to accompany applicants under the age of 15).

APPLICATION DEADLINE:

Applications and registration form must be received or postmarked on or before March 1, 2023.

About Upstate Coin & Gold

Upstate Coin & Gold is a leading wholesale coin and bullion dealer, founded by Dave Cooper, a former Summer Session attendee and young numismatic himself. He leveraged his early learnings and education to create a leading market maker in the precious metals industry today. In addition to trading in coins and bullion, he is also investing in innovative tools for dealers that drive growth in the precious metals industry by creating a two-way liquid market supported by a comprehensive suite of services, including advance worldwide logistics and refining options. Dave contributes his success today to these early learnings and strives to give other young numismatists the same opportunity to develop their skills in this growing industry.
